WHAT'S HAPPENING IN THE CHAMBER?

Networking Function

The George Town Chamber of Commerce will hold its first networking function for 2013 in May at the George Town RSL. Finger food and some drinks will be provided for all chamber members, and guest speakers will be in attendance. This will be a great opportunity for you to meet some new faces around town, including new council employees, owners of some newly formed George Town businesses, and, your new Chamber of Commerce executive committee.

We look forward to getting as many people as possible to attend this function as it provides an opportunity for you all to discuss trials or tribulations that your businesses have experienced, and to put forward some ideas to the committee regarding ways we can assist your businesses.

It's Training time....

Very soon we will be kicking off the year with some training courses for Chamber Members. We will commence with First Aid Training to be held at Polytec sometime in May or June. At this stage we are looking for expressions of interest, and depending on the numbers we will hold as many courses as required. More information regarding other training courses that may assist your businesses will follow in future editions of this newsletter.

Digital Enterprise Business Breakfast.....

This is a free business breakfast hosted by Michelle and Tom who are rolling out this government funded program: Tuesday April 16th: 7:30—8:45am; G.T. Trade Training Centre. Bookings essential—please contact Terri Cameron for further details.

We're still seeking a president.....

As yet, the George Town Chamber of Commerce is yet to fill the position of President for the next 12 months. The committee is seeking a well known George Town business owner / manager or a retired business / manager, who understands the trials and tribulations of our municipality and has some spare time to help the Chamber to even greater heights. If you know of someone who might be interested, please get them to contact either Mark, Terri or Alan to discuss the requirements of the role.

What, When, Where....

2013 marks a new What When Where year. This year the WWW publication will be coordinated by Terri Cameron. If you have any questions regarding advertising or would like to get in early with you ad, please contact Terri directly.

George Town is on Facebook
