WHAT'S HAPPENING IN THE CHAMBER?

Networking Function.....

The first networking function for 2013 will be held at the George Town RSL on **Monday May 13th**: details as follows:

4:30pm to 5:30pm: G.T.C. Executive Group Meeting.

5:30pm to 6:30pm: Networking function for G.T.C Members: introduction of new members

6:30pm to 7:30pm: Open forum—questions and comments from Members.

Finger food and some drinks will be provided, but of course the bar will be available for any-one who wishes to use it.

Do come along and say "hello": any ideas on how the Chamber can better serve it's members, can be discussed on the night: any ideas for future training can be compiled and passed onto the training centre. Please refer below.

Training time.....

On May 1st/2nd a Senior Workplace Level 2 First Aid course, is scheduled to take place at the Trade Training Centre, Port Dalrymple School. We managed to get 3 places for Chamber members—all of which were filled very quickly. Andrea Hampton, Coordinator for the training centre is now looking to run the Emergency First Aid (Workplace Level 1), one day courses, and the First Aid refreshers.

The one day course could, potentially take place over 2 consecutive evening—if this works better for some businesses. Details will be forwarded to Members as these become available.

We're STILL seeking a president.....

The George Town Chamber of Commerce is yet to fill the position of President for the next 12 months. If you know of someone who might be interested, please get them to contact either Mark, Terri or Alan to discuss the requirements of the role.

What, When, Where....

If you have any questions regarding advertising or would like to get in early with your ad, please contact Terri directly—work on this project will commence at the beginning of June. Details in the next newsletter.

George Town Business Awards....

Will be run during end of June/July 2013. Current sponsors are the George Town Council and Pacific Aluminium: the council will assist with marketing and advertising: all planning/organising will be the responsibility of the Chamber. We will seek other sponsors; an action plan should be available in a couple of weeks—details in the next newsletter.

Congratulations to Temtrol.....

George Town business, Temtrol Technologies, has won a major National Workplace Safety Award at a function held in Canberra last night..... HOW GOOD IS THAT???

Well done to all involved in this terrific achievement
