What When Where 2014/2015:

Now that the George Town Business Excellence Awards are finalized, work on the 2014/15 WWW publication has revved up several notches! I still have to contact most "not for profit" organisations and sporting clubs, but the bulk of the renewed and updated advertisements are already with Mike Dottam, at Foot and Plasted. The proofs should be available for approval in about 4-6 weeks time: the updated booklet will be released in early December 2013.

If any of you are the contact person for **Community, District, Church, or School organisations, or Sports Clubs**—please get in touch with me so the details can be checked and amended if required

Please be aware that our Membership invoices are now managed through MYOB. The system will either recognize Member or Non-Member when the WWW invoices are generated. Please ensure that your Membership fees are current if you wish to claim Membership rates for advertising. The invoices will be generated and attached to the proofs, when these are sent out for final approval: invoices must be paid prior to the ad being entered into the final WWW publication. If you wish to discuss or require further clarification please do not hesitate to contact me.

Lanceston Chamber of Commerce Business Excellence Awards:

Did any of you enter in the LCC Business Excellence Awards?

The Heritage Isle Union, (business as a whole) has received nominations in a number of categories and is a finalist in one, and, President Alan Golley has been selected as a finalist in the "Young Professional of the Year" award. The black tie, presentation event will be held at the Hotel Grand Chancellor on Saturday 26th October.

Please let me know if you did enter, and also if you wish to attend this function. If enough want to go, we should be able to hire a small bus.

Christmas!!!

Can you believe it—time to start planning those Christmas festivities and getting diaries organized. I honestly don't think I have ever experienced a year that has gone past quite so quickly—and that's saying something!

December would have to be the most social month of the year, so, why not start out how you mean to carry on, and immediately get into the swing of things, by participating in the Great Gatsby Christmas Ball at Peppers York Cove on Saturday December 7th! Just off the "glad rags" and prepare to celebrate the end of what for most, I suspect, was a pretty tough year.

There's a new girl in town:

Daisey Clara Golley

Born 21—8—2013

Weight 8lbs 6ozs

First child for Stacey and Alan and a lovely healthy looking baby

Many congratulations to this young family
