## WHAT'S HAPPENING IN THE CHAMBER?

### President's Report:

Well for another year the Business Excellence Awards are over and I would like to take this opportunity to give a special thank you to Heritage Isle Credit Union – George Town Branch, George Town Council, the ORS Group, Foot & Playsted and Ivan Dean MLC who were our AWARDS SPONSORS for 2014. It is really fantastic that you have been able to support the local business community in this way. Without your generosity these awards would not be possible.

A very special thank you and mention must be extended to Bell Bay Aluminium our MAJOR SPONSORS for 2014. BBA, and specifically Lou Clark, who helped us out in many different ways through the process of organising and running the awards. It has really been a blessing having you on board this year and we thank you for everything you have done.

I would like to personally pass on my congratulations to all the business who won awards on the night (listed below). We had an overwhelming response to the awards this year and believe that again next year it will be even bigger. 36 business received votes in the various categories and 45 individuals, working in various George Town businesses, were recognised by their customers for providing GREAT customer service.

### Community

In addition to supporting the local business community the George Town Chamber of Commerce attempts to engage with many other community organisations to ensure that the businesses in George Town are well represented and involved or, help fill in some gaps that they may need for the organisation to be successful or grow. The George Town Chamber of Commerce currently is represented on the Finance Committee for the George Town RSL, is a member of the Community Safety Committee and is involved with the Bell Bay Aluminium Community Consultative Committee.
