Meet our new Members

Kaizen Hair

Rachel and Shontelle took over ownership and management of Kaizen Hair in December 2015, almost 2 years on and the girls have created a refreshed salon with an acute focus on customer service.

From Shon and Rachel.....

“So, if you take a brilliantly talented hairdresser with over 18 years experience and add a phone sales administrator with around 17 years experience in customer service and bookkeeping, then have a business meeting over a glass of wine, you get a vibrant, revamped and customer focused salon...right? Ok, so we all know that a lot more goes into the set up of a new business but that is the shorts of the story. Winning the George Town Chamber of Commerce Business Excellence Awards - Customer Service in 2016 reassured the girls they are on the right track with their decisions and are striving towards a successful, growing business”.

Welcome to the Chamber ladies and all the best in this years' Excellence Awards!!

It's celebration time!!

It is time to celebrate, not only the winners of the Business Excellence awards 2017, but all the business across our local municipality. It is the only time of the year that we do this and we hope that you will come along and be a part of this annual “get-together”. Several politicians across the Liberal, Labor and Independent parties have accepted our invitation to attend the awards function; as next year is an election year—this is a good opportunity to discuss with them what they will do for our area if they are elected!

What: Business Excellence Awards Presentation evening

Where: Bass and Flinder's Centre

When: Friday July 28th: 5:30—7:30pm: presentations will commence @ 6:00pm and usually take approximately 45 minutes.

Dress: Smart casual, BUT, as we are celebrating “work” it is perfectly acceptable to come straight from work!

Entry is free to all Members; Non-Members \$10 per head: drinks available from the bar

RSVP would be appreciated by COB Tuesday July 25
