Events & Functions

Each year the George Town Chamber of Commerce intends to keep local business connected by holding a variety of events, functions and promotions including:

- Business Breakfasts
- Networking Functions with guest speakers
- Christmas shop local promotion

Business Excellence Awards

Each year during winter, the George Town Chamber of Commerce runs the annual Business Excellence Awards which acknowledge the contribution businesses make to the local community.

Sponsored awards in categories such as Customer service and Visitor experience are decided by public votes. At the awards presentation night various awards are based on nominations by customers and other businesses and assessed by a panel of experts selected by local chamber executives.

What When Where

Every second year the George Town Chamber of Commerce is responsible for releasing the George Town What When Where publication which is a local mini version of the yellow pages.

This publication allows George Town residents and businesses to quickly access the contact details for local trades, businesses, organisations, community groups and other services. Advertising in the publication is extremely cost effective and being a member of the chamber gives you great discounts on your ad. The WWW publication is distributed

to all George Town residents free of charge and can be downloaded from the Chamber web site:
